3. Supervising the Board of Management by the Board of Directors

The Board of Directors consistently monitors the operational activities of the General Director, the management team assisting the General Director, and the appointed representatives of the Corporation at its subsidiaries in implementing the resolutions of the Annual General Meeting of Shareholders and the resolutions and decisions of the Board of Directors, specifically in the following areas:

- Organizing a review of the Corporation's internal regulations, evaluating existing issues and/or occurrences, and implementing amendments and supplements, and ensuring the enforcement internal regulations in a unified manner to ensure compliance with legal provisions, positively impacting the Corporation's operational activities.
- Approving resolutions and decisions, directing business, financial, investment activities, labor and wage management, organizational structure and human resources, etc
- Overseeing the development and implementation of the 2025 business plan for the Corporation and its subsidiaries and affiliates.
- Supervising the activities of the General Director and management staff as follows:
 - + The Board of Directors reviews, evaluates, and approves reports from the General Director regarding progress, results of business operations on a quarterly, semi-annual, and annual basis, identifying difficulties, analyzing causes, and proposing solutions.
 - + The Board of Directors closely monitors and directs the activities of the Board of Management, timely addressing issues within the Board's authority, providing support and creating favorable conditions for the Board of Management's operations.
 - + Regularly monitoring the compliance of the management and operational team with applicable laws and internal regulations to manage the Corporation, mitigate risks, control internal processes, and address business ethics issues; maintaining relationships with stakeholders, including shareholders, employees, suppliers, and customers.
- Conducting regular and unplanned inspection of financial accounting, ensuring compliance by the Board of Management and the internal control system at the Corporation and its subsidiaries.
- Monitoring the implementation of additional capital contributions at subsidiaries, affiliated companies and the issuance of loan guarantees for subsidiaries at banks.
- Monitoring and expediting the collection of receivables.
- Successfully organizing the 2025 Annual General Meeting of Shareholders, ensuring compliance with legal procedures; presenting key business plans for the Corporation in 2025, restructuring the personnel of the Board of Directors, Board of Supervisors for Term II (2021-2026).

4. Activities of the Board of Directors' subcommittees

To date, the Board of Directors has not established any subcommittees. The assignment of duties to the members of the Board of Directors for Term II (2021-2026) is carried out according to Resolution No. 164/NQ-HĐQT dated July 2, 2021.

Accordingly, members are responsible for specific areas of operation based on their expertise and capabilities, ensuring the principle of collective leadership and individual responsibility. Each member of the Board of Directors is personally accountable for their assigned tasks, reports to the Chairwoman of the Board of Directors on the work within their scope, and collectively assumes responsibility before the General Meeting of Shareholders and the law for the resolutions and decisions made by the Board of Directors concerning the development of the Corporation.

5. Resolutions/Decisions of the Board of Directors

In 2025, the Board of Directors held 04 (four) periodical meetings, and conducted 12 (twelve) written consultations to reach agreements on 48 (forty-eight) resolutions and decisions.

All resolutions and decisions of the Board of Directors were issued in accordance with the procedures and requirements stipulated in the Corporation's Charter, with unanimous approval from the members, ensuring timely guidance in the execution of the Board's functions and duties. The specific matters unanimously approved by the Board of Directors are as follows:

3. Supervising Board of Directors, Board of Management and shareholders by Board of Supervisors

a) Monitoring the activities of the Board of Directors

In 2025, the Board of Supervisors attended 100% of the meetings of the Board of Directors, the Board of Management meetings, and the progress meetings of the Corporation. The Board of Supervisors monitored the activities of the Board of Directors within its authority and performed other tasks delegated by the General Meeting of Shareholders. All meetings were documented through meeting minutes, and resolutions were issued for implementation.

At the same time, the Board of Supervisors monitored the issuance of resolutions and decisions by the Board of Directors to ensure they were issued in the correct order, with the proper authority, and in full compliance with the law, the Corporation's Charter, the organizational and operational regulations of the Board of Directors, and the Corporation's internal governance regulations.

b) Results of Monitoring the activities of the Board of Management

In 2025, the Board of Supervisors conducted inspections and monitored the management of assets, the operation of production and business activities, and the implementation of decisions in accordance with the Corporation's Charter and legal regulations.

4. The coordination among the Board of Supervisors, the Board of Management, Board of Directors and other managers

The members of the Board of Supervisors have actively coordinated with the Board of Directors, the Board of Management and other management officers to supervise the activities of the Board of Directors and the implementation of tasks by the Board of Management, ensuring that the Corporation's operations comply with applicable laws, the Corporation's Charter, and the resolutions of the General Meeting of Shareholders.

In the process of organizing inspections and monitoring the management operations and business activities of the Corporation, the Board of Supervisors is provided with adequate, accurate, and timely documents and information related to the requirements and periodically as per the regulations.
